

# SPLITTECH2016

INTERNATIONAL MULTIDISCIPLINARY CONFERENCE ON COMPUTER AND ENERGY SCIENCE  
TECHNICALLY CO-SPONSORED BY IEEE COMMUNICATIONS SOCIETY  

**SpliTech 2016: Let's make life easier**  
**Bringing together academia and professionals**

**July 13 - 15, 2016**

## CALL FOR PAPERS AND PROPOSALS

The multi-day affair will feature the following activities:

- 1) Scientific conference, wherein we are inviting technical papers, 2) Professional papers on same topics as in scientific part, 3) Entrepreneurship and Industry presentations, 4) Product exhibits, 5) Summer schools and tutorials, 6) Opportunity to Live, Study and Work in Split

For the conference, we are inviting technical and professional papers as well as posters and demos that discuss or depict applications in fields as following (but not limited to):

#### Health:

- Medical, Biomedical and Health Informatics
- Devices
- Communications and networking
- Signal/data processing systems
- Services and applications

#### Smart City:

- Smart City modeling and simulations
- Intelligent infrastructure
- Smart Economy development
- Algorithms
- Software
- Social Networking
- Computing Systems
- Safety and Security

#### Energy:

- Energy Efficiency
- Sustainable Energy Technologies
- Renewable energy and clean energy sources
- Power engineering,
- Software systems for energy applications
- Nanomaterials in energy applications

### Paper submission

Perspective authors are invited to submit their papers/proposals to EDAS in the following categories:

- Regular papers (up to 6 pages)
- Poster and Demo papers (3 pages)

All papers must follow the conference paper template. Please visit <http://splitech2016.fesb.hr> for detailed submission instructions. Papers will be reviewed with standard blind review procedure.

#### Deadlines

Full paper submission due	April	01,	2016
Notification of acceptance	May	15,	2016
Camera ready paper	June	05,	2016

#### Fee

Membership	Early registration*	Late registration
Academia	450 EUR	550 EUR
Industry	450 EUR	550 EUR
Student	250 EUR	350 EUR

\*by June 15

All accepted and presented papers will be submitted to [IEEE Xplore](#) as well as other Abstracting and Indexing (A&I) databases.  
All questions regarding participation (involvement) in SpliTech should be addressed to [splitech@fesb.hr](mailto:splitech@fesb.hr)
